G

Since 2017, SVIZONA is a diversified provider of innovative solutions & services for the Industry and Households

We believe in a future where technology is used to transform the world for the better. We envision a world where everyone has access to cutting-edge technology that enhances their lives, expands their opportunities, and promotes sustainable living.

We provide innovativelighting solutions to the energy, infrastructure, utilities, and Oil and Gas industry. SVIZONA has established itself as a trusted partner for innovative and sustainable technologies.

Our Mission

Our mission is to harness the power of technology to drive innovation and sustainability

Our Vision

We aim to be a global leader in innovative industrial solutions, transforming industries through sustainable practices and cutting-edge technology, while empowering our partners and communities to achieve a better future

Our Values

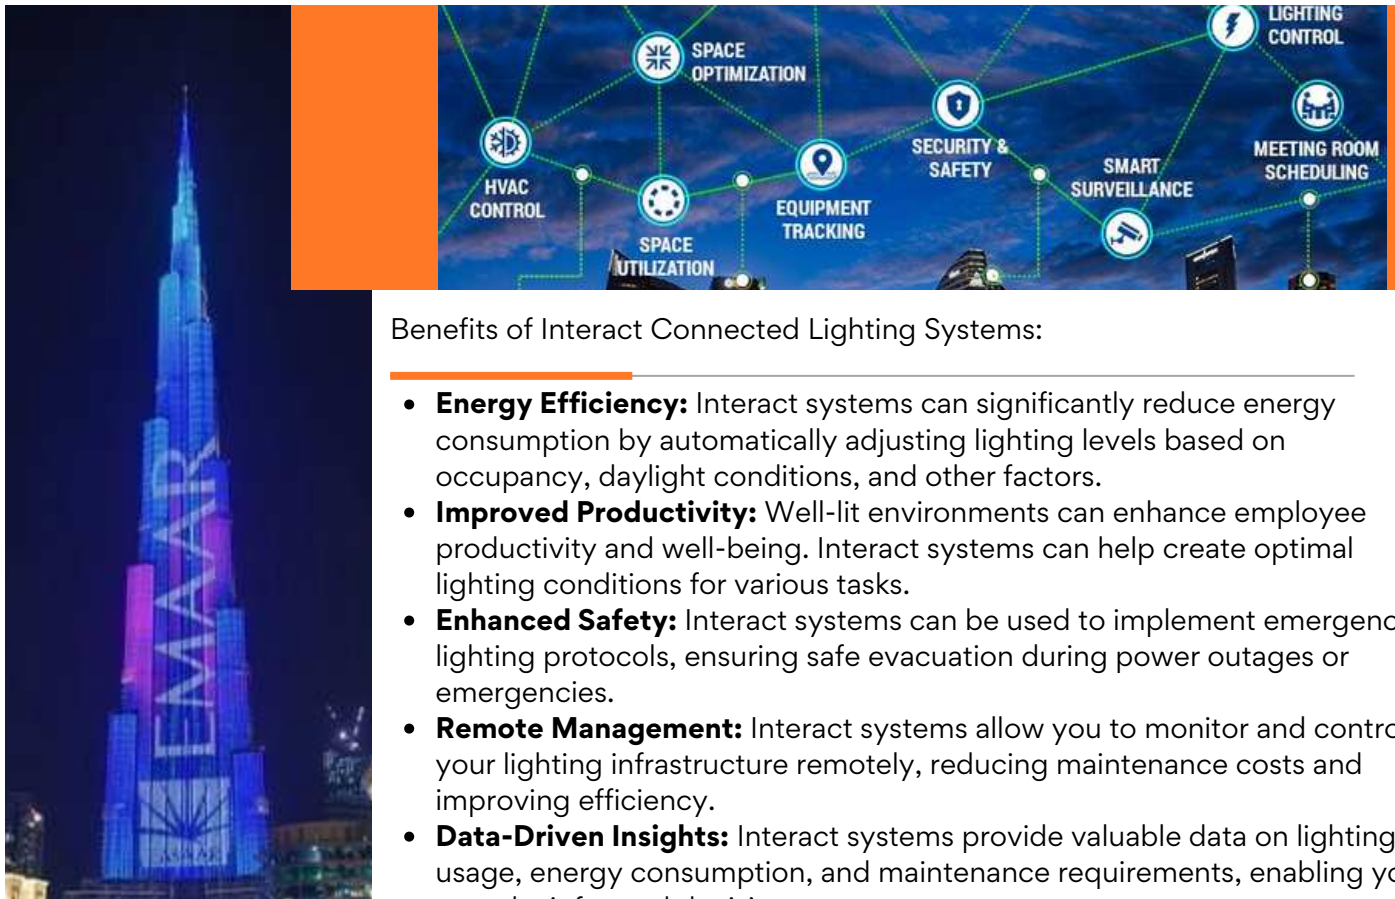

We focus on innovative industrial solutions, emphasizing innovation, sustainability, and quality. We prioritize customer needs, maintain integrity through ethical practices, and foster collaboration.

Interact IoT Platform

SVIZONA Industrial Solutions is a leading provider of Interact Connected Lighting Systems, offering innovative and intelligent lighting solutions that enhance efficiency, sustainability, and user experience.

Our Interact systems utilize advanced technology to provide real-time monitoring, control, and optimization of your lighting infrastructure.

Benefits of Interact Connected Lighting Systems:

- **Energy Efficiency:** Interact systems can significantly reduce energy consumption by automatically adjusting lighting levels based on occupancy, daylight conditions, and other factors.
- **Improved Productivity:** Well-lit environments can enhance employee productivity and well-being. Interact systems can help create optimal lighting conditions for various tasks.
- **Enhanced Safety:** Interact systems can be used to implement emergency lighting protocols, ensuring safe evacuation during power outages or emergencies.
- **Remote Management:** Interact systems allow you to monitor and control your lighting infrastructure remotely, reducing maintenance costs and improving efficiency.
- **Data-Driven Insights:** Interact systems provide valuable data on lighting usage, energy consumption, and maintenance requirements, enabling you to make informed decisions.

Our Interact Connected Lighting Solutions

- **Intelligent Street Lighting:** Our Interact-enabled street lighting systems can optimize lighting levels based on traffic conditions, reducing energy consumption and improving safety.
- **Commercial Building Lighting:** Interact systems can be used to create personalized lighting scenes for different spaces and activities within commercial buildings.
- **Industrial Lighting:** Our Interact solutions can optimize lighting for industrial facilities, improving productivity and reducing energy costs.
- **Outdoor Lighting:** Interact systems can be used to control and monitor outdoor lighting, such as parking lot and security lighting.

Our Product Portfolio

SVIZONA Industrial Solutions is a leading provider of industrial lighting solutions, offering a wide range of products and services to meet the diverse needs of businesses across various industries. Our lighting solutions are designed to enhance productivity, improve safety, and reduce energy consumption.

Industrial Lighting

SVIZONA Industrial Solutions is a leading provider of indoor luminaire solutions, offering a wide range of products to meet the diverse lighting needs of commercial, industrial, and residential spaces. Our luminaires are designed to provide optimal illumination, enhance aesthetics, and improve energy efficiency.

Indoor Luminaire

SVIZONA Industrial Solutions is a leading provider of outdoor luminaire solutions, offering a wide range of products to meet the diverse lighting needs of commercial, industrial, and residential spaces. Our outdoor luminaires are designed to provide reliable, efficient, and aesthetically pleasing illumination for both functional and decorative purposes.

Outdoor Luminaire

SVIZONA Industrial Solutions is a leading provider of consumer lighting solutions, offering a wide range of products to meet the diverse needs of homeowners and businesses. Our lighting solutions are designed to enhance aesthetics, improve functionality, and save energy.

Indoor Luminaires

Downlights

SVIZONA Industrial Solutions is a leading provider of downlight solutions, offering a wide range of products to meet the diverse lighting needs of commercial, industrial, and residential spaces. Our downlights are designed to provide efficient, stylish, and energy-saving illumination.

Our Downlight Range:

- **Recessed Downlights:** Ideal for creating a clean and minimalist aesthetic, recessed downlights are installed into the ceiling.
- **Surface-Mounted Downlights:** Suitable for both new and existing installations, surface-mounted downlights can be easily attached to the ceiling.
- **Track-Mounted Downlights:** Versatile and adjustable, track-mounted downlights allow you to direct light precisely where you need it.
- **Dimmable Downlights:** Many of our downlights are dimmable, allowing you to adjust the lighting intensity to suit different activities and moods.

Indoor Luminaires

Tracklights

SVIZONA Industrial Solutions is a leading provider of track lighting solutions, offering a wide range of products to meet the diverse lighting needs of commercial, industrial, and residential spaces. Our track lighting systems are versatile, stylish, and energy-efficient.

Our Track Lighting Range:

- **Linear Track Systems:** Ideal for long, narrow spaces, linear track systems provide a sleek and modern look.
- **Circular Track Systems:** Perfect for creating a focal point in your space, circular track systems offer a unique and eye-catching design.
- **Adjustable Track Heads:** Our track heads can be easily adjusted to direct light precisely where you need it, providing flexibility and control.
- **Dimmable Track Heads:** Many of our track heads are dimmable, allowing you to adjust the lighting intensity to suit different activities and moods.

Indoor Luminaires

Architectural Linear Lights

SVIZONA Industrial Solutions is a leading provider of architectural linear lighting solutions, offering a wide range of products to enhance the aesthetics and functionality of commercial, industrial, and residential spaces. Our linear lights are designed to provide sleek, modern, and energy-efficient illumination.

Our Architectural Linear Lighting Range:

- **Suspended Linear Lights:** Ideal for high-ceiling areas, suspended linear lights offer a clean and minimalist aesthetic.
- **Surface-Mounted Linear Lights:** Suitable for walls and ceilings, surface-mounted linear lights provide a versatile lighting option.
- **Recessed Linear Lights:** Create a seamless and integrated look by installing recessed linear lights into the ceiling.
- **Dimmable Linear Lights:** Many of our linear lights are dimmable, allowing you to adjust the lighting intensity to suit different activities and moods.

Indoor Luminaires

Recessed and Surface Lights

SVIZONA Industrial Solutions is a leading provider of recessed and surface lighting solutions, offering a wide range of products to meet the diverse lighting needs of commercial, industrial, and residential spaces. Our recessed and surface lights are designed to provide efficient, stylish, and energy-saving illumination.

- **Recessed Downlights:** Ideal for creating a clean and minimalist aesthetic, recessed downlights are installed into the ceiling.
- **Recessed Troffers:** Suitable for large, open spaces, recessed troffers provide even illumination across a wide area.
- **Recessed Cove Lights:** Create a dramatic effect by installing recessed cove lights along the ceiling perimeter.
- **Surface-Mounted Downlights:** A versatile option for both new and existing installations, surface-mounted downlights can be easily attached to the ceiling.
- **Surface-Mounted Track Lighting:** Provide flexible and adjustable lighting with track-mounted surface lights.

Indoor Luminaires

Industrial Lighting

SVIZONA Industrial Solutions is a leading provider of industrial lighting solutions, offering a wide range of products to meet the diverse needs of businesses across various industries. Our industrial lighting solutions are designed to enhance productivity, improve safety, and reduce energy consumption.

- **High-Bay Lights:** Ideal for warehouses, factories, and other high-ceiling areas, our high-bay lights provide powerful and efficient illumination.
- **Low-Bay Lights:** Suitable for workshops, assembly lines, and other areas with lower ceilings, our low-bay lights offer excellent lighting coverage.
- **Linear Lights:** Our linear lights are perfect for long, narrow spaces such as corridors, hallways, and parking garages.
- **Floodlights:** Ideal for outdoor lighting applications, our floodlights provide powerful illumination for large areas.
- **Area Lights:** Our area lights are suitable for illuminating outdoor spaces such as parking lots, sports fields, and security perimeters.

Indoor Luminaires

Exit Emergency Lights

SVIZONA Industrial Solutions is a leading provider of exit emergency lighting solutions, ensuring safety and compliance in commercial, industrial, and public buildings. Our emergency lights are designed to provide reliable illumination during power outages, guiding occupants to safe exits.

Our Exit Emergency Lighting Products:

- **Exit Signs:** Our exit signs are clearly marked and illuminated, guiding occupants to safe escape routes.
- **Emergency Luminaires:** Our emergency luminaires provide reliable illumination during power outages, ensuring safe evacuation.
- **Central Battery Systems:** For large buildings, central battery systems can power multiple emergency lights, ensuring uninterrupted illumination.
- **Wireless Emergency Lighting Systems:** Our wireless systems offer flexibility and ease of installation, without the need for extensive wiring.

Indoor Luminaires

Decorative Lights

SVIZONA Industrial Solutions is a leading provider of decorative lighting solutions, offering a wide range of products to enhance the aesthetics and ambiance of commercial, industrial, and residential spaces. Our decorative lighting solutions are designed to create a warm, inviting, and visually appealing atmosphere. Our Decorative Lighting Range:

Chandeliers: Elegant and eye-catching, chandeliers are a popular choice for adding a touch of luxury to living rooms, dining rooms, and foyers.

Pendant Lights: Suspended from the ceiling, pendant lights offer a variety of styles and designs to suit different aesthetics.

Wall Sconces: Wall sconces provide a soft and diffused light, perfect for accentuating architectural details or creating a warm and inviting atmosphere.

Floor Lamps: Floor lamps provide a tall and elegant lighting solution, adding a sense of depth and dimension to a space.

LED Strip Lights: Versatile and customizable, LED strip lights can be used to create accent lighting, highlight architectural details, or set the mood.

Indoor Luminaires

Healthcare Lighting

SVIZONA Industrial Solutions is a leading provider of healthcare lighting solutions, offering a wide range of products designed to meet the specific needs of hospitals, clinics, and other healthcare facilities. Our lighting solutions are designed to enhance patient comfort, improve staff productivity, and ensure compliance with safety regulations. Our Healthcare Lighting Products:

- **Surgical Lighting:** Our surgical lights provide bright and focused illumination for operating rooms, ensuring optimal visibility for surgeons and medical staff.
- **Exam Room Lighting:** Our exam room lights offer a comfortable and inviting atmosphere for patients, while providing adequate illumination for medical examinations.
- **Corridor and Waiting Area Lighting:** Our corridor and waiting area lights create a welcoming and calming environment for patients and visitors.
- **Emergency Lighting:** Our emergency lights ensure safe evacuation during power outages, providing reliable illumination for patients and staff.
- **Daylight Harvesting Systems:** Maximize natural light to reduce energy consumption and improve patient well-being.

Indoor Luminaires

NatureConnect

SVIZONA Industrial Solutions is a leading provider of sustainable and eco-friendly lighting solutions, specializing in NatureConnect technology. Our NatureConnect lighting systems harness the power of natural light to create energy-efficient, sustainable, and aesthetically pleasing environments.

Our NatureConnect Lighting Solutions:

- **Daylight Harvesting Systems:** Our systems maximize the use of natural light, automatically adjusting artificial lighting levels to maintain optimal illumination.
- **Smart Lighting Controls:** NatureConnect systems can be integrated with smart building automation systems to optimize lighting performance and energy efficiency.
- **Biophilic Design:** We incorporate biophilic design principles to create spaces that connect people with nature, promoting a sense of well-being and productivity.

Outdoor Luminaires

Road and Street Lighting

SVIZONA Industrial Solutions is a leading provider of road and street lighting solutions, offering a wide range of products and services to illuminate public spaces, highways, and residential areas. Our lighting solutions are designed to enhance safety, improve visibility, and reduce energy consumption. Our Road and Street Lighting Products:

- **High-Mast Lighting:** Suitable for large areas such as highways, parking lots, and sports fields, high-mast lighting provides powerful illumination.
- **Street Lights:** Our street lights are designed to provide adequate illumination for roads, sidewalks, and pedestrian crossings.
- **Bollard Lights:** Perfect for illuminating walkways, paths, and entrances, bollard lights offer a stylish and functional lighting solution.
- **LED Street Lights:** Our energy-efficient LED street lights provide significant savings on electricity costs while offering long-lasting performance.
- **Smart Lighting Controls:** Our smart lighting controls allow you to manage your street lighting system remotely, optimizing energy consumption and maintenance.

Outdoor Luminaires

Urban Lighting

SVIZONA Industrial Solutions is a leading provider of urban lighting solutions, offering a wide range of products and services to illuminate public spaces, streets, and residential areas. Our urban lighting solutions are designed to enhance safety, improve aesthetics, and reduce energy consumption. Our Urban Lighting Products:

- **Park Lighting:** Our park lighting solutions create a welcoming and inviting atmosphere for visitors, while providing adequate illumination for safety and security.
- **Plaza and Square Lighting:** Our plaza and square lighting solutions enhance the ambiance of public spaces, attracting visitors and promoting community engagement.
- **Facade Lighting:** Our facade lighting solutions highlight architectural features and create stunning visual effects for buildings and landmarks.
- **Underwater Lighting:** Our underwater lighting solutions illuminate fountains, ponds, and water features, adding a touch of magic to urban landscapes.

Outdoor Luminaires

Landscape Lighting

SVIZONA Industrial Solutions is a leading provider of landscape lighting solutions, offering a wide range of products and services to enhance the beauty and functionality of outdoor spaces. Our landscape lighting solutions are designed to create a warm, inviting, and visually appealing atmosphere. Our Landscape Lighting Products:

- **Path Lights:** Illuminate walkways and paths, providing safety and guidance for visitors.
- **Garden Lights:** Highlight plants, trees, and other features of your garden, creating a magical ambiance.
- **Floodlights:** Illuminate large areas such as lawns, courtyards, and sports fields.
- **Wall Washers:** Create dramatic effects by washing light onto walls and facades.
- **Uplights:** Highlight trees and architectural features from below, creating a dramatic and eye-catching effect.
- **Solar-Powered Lights:** Our solar-powered lights offer a sustainable and eco-friendly lighting solution, perfect for remote areas or areas with limited access to electricity.

Outdoor Luminaires

Flood Lighting

SVIZONA Industrial Solutions is a leading provider of flood lighting solutions, offering a wide range of products to meet the diverse lighting needs of commercial, industrial, and residential spaces. Our flood lights are designed to provide powerful illumination for large areas, ensuring safety, security, and visibility. Our Flood Lighting Products:

- **High-Pressure Sodium (HPS) Flood Lights:** HPS flood lights are known for their high brightness and durability, making them a popular choice for outdoor lighting.
- **Metal Halide (MH) Flood Lights:** MH flood lights offer a wide range of color temperatures and are suitable for various applications.
- **Compact Fluorescent (CFL) Flood Lights:** CFL flood lights are a more energy-efficient alternative to traditional incandescent bulbs.
- **Solar-Powered Flood Lights:** Our solar-powered flood lights offer a sustainable and eco-friendly lighting solution, perfect for remote areas or areas with limited access to electricity.

Outdoor Luminaires

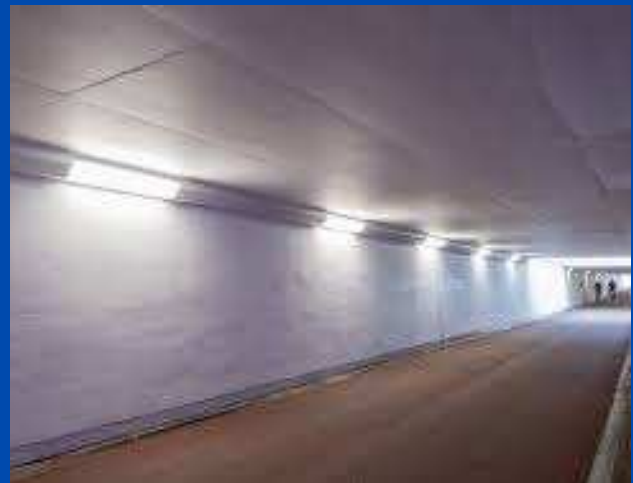

Garage and Canopy Lighting

SVIZONA Industrial Solutions is a leading provider of garage and canopy lighting solutions, offering a wide range of products to illuminate parking areas, loading docks, and other outdoor spaces. Our lighting solutions are designed to enhance safety, improve visibility, and reduce energy consumption.

Our Garage and Canopy Lighting Products:

- **High-Bay Lights:** Ideal for high-ceiling garages and canopies, our high-bay lights provide powerful and efficient illumination.
- **Low-Bay Lights:** Suitable for lower-ceiling garages and canopies, our low-bay lights offer excellent lighting coverage.
- **Linear Lights:** Our linear lights are perfect for long, narrow spaces such as loading docks and drive-through areas.
- **Floodlights:** Illuminate large areas of your garage or canopy, ensuring safety and security.

Outdoor Luminaires

Tunnel and Underpass Lighting

SVIZONA Industrial Solutions is a leading provider of tunnel and underpass lighting solutions, offering a wide range of products and services to ensure safety and visibility in underground passageways. Our lighting solutions are designed to meet the specific requirements of tunnels and underpasses, providing reliable illumination and enhancing safety. Our Tunnel and Underpass Lighting Products:

- **Emergency Lighting:** Our emergency lighting systems provide reliable illumination during power outages, ensuring safe evacuation for pedestrians and vehicles.
- **Tunnel Lighting:** Our tunnel lighting systems are designed to provide uniform and adequate illumination throughout the tunnel, improving visibility and reducing accidents.
- **Underpass Lighting:** Our underpass lighting solutions provide safe and well-lit passageways for pedestrians and cyclists.
- **Intelligent Lighting Controls:** Our intelligent lighting controls can adjust lighting levels based on traffic conditions and other factors, optimizing energy consumption and safety.

Outdoor Luminaires

Solar Lighting

SVIZONA Industrial Solutions is a leading provider of solar lighting solutions, offering a wide range of products and services to illuminate outdoor spaces sustainably and efficiently. Our solar lighting solutions harness the power of the sun to provide reliable and eco-friendly illumination. Our Solar Lighting Products:

- **Solar Street Lights:** Our solar street lights are equipped with high-efficiency solar panels and powerful batteries, ensuring reliable performance even in low-light conditions.
- **Solar Garden Lights:** Illuminate your garden and outdoor spaces with our stylish and sustainable solar garden lights.
- **Solar Floodlights:** Provide powerful illumination for large areas, such as parking lots, sports fields, and security perimeters.
- **Solar Bollard Lights:** Illuminate walkways, paths, and entrances with our solar-powered bollard lights.
- **Solar Pathway Lights:** Guide visitors safely along pathways and walkways with our solar pathway lights.

Outdoor Luminaires

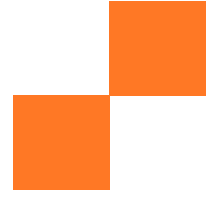

Directview Lights

SVIZONA Industrial Solutions is a leading provider of direct view lighting solutions, offering a wide range of products and services to meet the diverse needs of commercial, industrial, and residential spaces. Our direct view lighting solutions are designed to provide clear, vibrant, and energy-efficient illumination. Our Direct View Lighting Products:

- **LED Displays:** Our LED displays offer high-resolution, high-brightness images and videos, perfect for digital signage, advertising, and information displays.
- **Video Walls:** Create stunning visual experiences with our video walls, composed of multiple LED displays seamlessly connected.
- **Digital Signage:** Our digital signage solutions provide dynamic and engaging content for a variety of applications, including retail, corporate, and public spaces.
- **Interactive Displays:** Our interactive displays allow for touch-based interaction and engagement, making them ideal for museums, educational institutions, and retail environments.

Technical Support

We have a dedicated in-house team of experts, offering round-the-clock services to ensure that our clients are satisfied from project inception until its final completion.
